

Student Leadership Development and the Academic Enhancement Program

- Student Leadership Institute/SLi

Vision

The Student Leadership Institute (SLi) seeks to train students to engage culture as Christian thinkers, communicators, and servant leaders.

Mission

The Student Leadership Institute exists to help students deepen their personal relationship with Jesus Christ, develop a Biblical worldview, and nurture leadership traits for world change. We are committed to assisting the local church in fulfilling Christ's command, "Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you" (Matthew 28:18-20).

Student Agreement as part of the Student Leadership Development and the Academic Enhancement Program

I, _____ agree to attending the sessions with Mrs. Daviglus two times for the month for the academic year 2018-2019. If I fail to stay consistent, committed, and dedicated to this opportunity, I understand that I will be dropped from the program. I have made a decision to live up to the school's vision, mission, core values, as well as the core values of the Student Leader Model.
